# Introduction

Their stuck in a post apocalyptic Zombie land of horror

# Chapter 1

"OHHH butter my buns and call me a biscuit!"yells Ary.

"What now?"I ask as I barely wake up.

"Look at the news!"She says as a news reporter says:

Now coming there seems to be chaos in the city of Atlanta you country people better leave while you can before army members put up road blocks!

"Ary get packed were going. "I say to her sternly.

"Where are we going?"she asks as she stands up.

"We re leaving to my boat. "I say

"Okay get it ready. "She says as she walks upstairs.

About ten minutes later she comes out and drops her stuff on the boat.

"I brought weapons. Here s your lucky shotgun"She says.

"Why would I need this?"I ask.

"You never know Ally"She says.

"Whatever. Let's get going"I say as I start driving off.

"What are we going to do about this like where will we go?"She asks

"Were going somewhere where there s no chaos, I have extra gas if we run out. "I say

"I'm going to sleep wake me up in the morning"She says

"Okay. . . "I say.
