Introduction

A big hungry bear goes along eating houses, bugs, and even other bears. Everyone tried to stop her, but she was unstoppable.

Chapter 1

There was a big bear named Big bear. She was really really really big, but she was SO hungry. She ate about 50 houses on the way home. She was still hungry, but she couldn't find any food. She saw a cute little baby bear running away from a bigger bear, and she ate both of the Bears. She was still so hungry! She wanted more food, so she kept on looking.

Chapter 2

Big bear ate some pears she found on some palm trees.

She was in the mood for a ladybug, but there weren't any so she kept going. Big bear felt something- she found a ladybug on her hand and ate it. She found it gross, but she tried to enjoy it.

Chapter 3

Big bear ran over to some people and they ran away SO fast the bear didn't even try to catch up with them, in fact, they went 5 miles in only 30 seconds- the next second, they were sleeping and so was big bear.
