Introduction

Piper and Paige team up with The Winchesters to save Phoebe, who has turned over to evil. Can they save Phoebe in time, or will she be gone Forever?

Chapter 1

Piper Halliwell could not believe what she was seeing. Phoebe was going with Cole/Source of all evil. She was choosing him over her own sister's. "Phoebe, NO", Paige was yelling. "I've already chosen, I'm sorry... Goodbye", Phoebe said as she and Coal left in flames.... Sorry guys, Sam and Dean will be in the story in a while.....

Chapter 2

"Oh My God...", Piper screamed in frustration. "What are we going to do now", Paige whispered. "Go home and look in the Book Of Shadows to see what we can do to get her back", Leo said. We orbbed out.....

"Dean, look, there's a case in San-Francisco", Sam said. "Huh, what is it this time", Dean asked. "Someone got their eyes popped out of their sockets", Sam said. "Uh, Okay, let's go", Dean said.

Chapter 3

"I can't find ANYTHING in this Dang book", Piper yelled. "Piper, It's ok, we will find something, we have to", Paige said as a Knock came to the door. "I'll get it", Paige said. When Paige opened the door, there were Two cute men in black suits. "May I help you", Paige asked." Yes, We were wondering if you noticed anything weird lately", said the tall, handsome one. "Uh, no, and you are...", Paige asked. Oh I'm sorry, I'm Dean Winchester, and this is my brother, Sam. "Well Dean, no I haven't seen anything weird", Paige said. All of a sudden, Phoebe burst into the room with a fire ball. "Paige, get down", Piper yelled as she threw a potion at Phoebe, who fled the room before it hit her. "You guy's are The Charmed ones, aren't you", Sam asked.....

Chapter 4

"Yea, and who's asking", Piper said as she came down the stairs.

"Sam Winchester and this is my brother Dean", Sam said. "Huh, well are you warlocks or something", Paige asked. "No, were hunters", Dean said. "I-I actually think we can help", Sam said.

"Ok, you know the plan right", Piper said. "Yes, throw the potion at her, then say the spell", Sam said.

"Ok, here it goes", said Piper. "Hey guy's, miss me", Phoebe said from behind. They all turned.

"Now", Piper yelled. Phoebe threw a fire ball from her hand and blew up the potion. The last one. Cole came in and threw them across the room.... To Be Continued.....
