Introduction

Hi my name is Ginger. And I am the geek of my class. I have two friends who support me very well. They went on summer vacation.

After the incident, I guess you can say I'm on vacation too, but in a whole different place. This is a diary of a life in Minecraft.

Chapter 1

September 3

Hello diary, it's been almost 8 days trapped in here. Well Minecraft days.

I enjoy it here. But mom comes at 7:00 in the afternoon. I don't know what I'm supposed to do!

I have homework to do, dogs to feed, dishes to clean and everything!

My brother went straight upstairs when we got home.

I don't know what do!

Well diary, it is getting dark and I have to go to bed now. I'll probably write tomorrow.
