# Introduction

A girl finds a letter and doesn't understand it, until it's too late.

# Chapter 1

Lucy was having a boring homeschool session, when she looked out the window and saw a piece of paper. She paused the video and went outside to see it and she was confused at what it said.

song of  
elephants that  
eat new grass

yes, they do excepted  
octagons scare them away  
umbrellas attract them to start to

top off the night with  
omnipresent science  
not the funk house kind  
in the igloo of watermelons  
gone away to their friends  
hats made of lemons  
they will wear

she just thought it was some teenagers joking around and got back to her work. That night she was very tired and went to sleep. That morning they found her headless. The detective came in, read the letter she put on her desk and instantly solved the case. What happened? ( answer below ) ( he didn't know who did it though he just saw something on it )

ANSWER: the first letter of each line spells out: see you tonight
