Introduction

You play as a male in DDLC. What would happen if you were playing from Natsuki's point of view?

Chapter 1

Introduction 1/1

You wake up to your dad yelling. "Natsuki! Wake up idiot! You'll be late for school! I'm paying for those classes!" You snap out of bed. "Sh! t, sh! t, sh! t!" You grab a clean set of your school's uniform and get changed. You put toothpaste, a toothbrush, and a hairbrush inside your backpack. 'I can get ready at school...'. You grab your backpack and race down the steps and out the door. "Bye dad!" you yell. "Get out of here b! tch..." your dad says and takes a swig of his beer. As you race to your bus stop, you hold in your tears. 'Why can't I just have a normal dad?'. The bus pulls up and you get on silently. As you walk to the back two boys in the front yell, "Grow some bo0bs!" You give them a glare and know you shouldn't hit them, you know you'll get suspended. You know how dad will act. It's okay though. You have a great feeling about today...

Chapter 2

Meeting Monika 1/1

You finish the day, starving as always. You can just make yourself something to eat at home before dad comes home. As you walk to your locker you see someone standing there. She has black socks, a ponytail, a huge white bow in her hair, and green eyes. "Um... hi?" you say. "Hello! I hear you are Natsuki. Nice to meet you I'm Monika. I'm starting a new literature club and I was wondering if you wanted to join?" says 'Monika'. 'Very straightforward...' you think. "Uh... maybe? When is it?" "Everyday after school! It's from 3:30 to 5:30." Monika says with a blinding white smile. You think for a moment. 'Dad doesn't get home till 7, you will still have time to eat, and you should make some new friends. ' "Sure I guess it's fine." "Great!" she says. "It's in room 4503." as Monika turns around, and before she and walk away you ask, "Is manga considered literature?" Monika turns around. She hesitates for just a split second then says, "Anything you can read or write is literature to me!" "Heh... okay." You accidentally drop your pen and when you pick it up and look up, Monika is gone. "Weird..." you mumble. You shrug it off and grab your backpack.

Chapter 3

It's the next day and school is over. You head to the room that Monika told you to go to. You walk in and two other girls besides Monika are in there. "Hi! You must be Natsuki! I'm Sayori the 'co-leader'!" says a cheerful girl. She has short peach hair with a red bow in her hair and blue eyes. "Hello... I'm Yuri..." says a tall girl with a stunning body shape. She has purple eyes and long purple hair. "Uh, hello." you say. Monika walks over and greets you to.
