Introduction

Zelda, the Princess of Hyrule has to save Hyrule after Link gets caged in. Will she manage to save Hyrule?

Chapter 1

(This is a troll fan fiction for you perverts, dirty minded! Although I made this but eh...)

Chapter 1: Plenty of Fish in the Sea

Bloop, splish, splash!

The waterfall noises comforted Zelda who was bathing herself, she knew Zora's Domain was nearby, but she didn't care, no one would see her. Her body was one thing that people liked about her, especially her amazing rear end.

?Whoops.? She bent over to grab her soap bar.

?Huh?? Zelda stood up, looking around, she realized her clothes were gone! She started running outside into the grass. She looked around, even inside the bushes.

?Hello, this isn't funny, you know!?! Zelda yelled out.

Then a figure appeared.

?I never knew you had such a big, round, and juicy booty Zelda, I may like Link, but I'm starting to LOVE you.? Mipha smirked.

?Uhh...? Zelda was embarrassed.

?Do you want your clothes back?? Mipha's smile grew wider.

?Yes, immediately Mipha...? Zelda yelled.

Mipha looked around and then blew a kiss over.

?W-what?? Zelda was confused.

?Okay...I know this may sound kinda weird but can I possibly touch your booty?? Mipha asked.

?No! Give me my clothing!?! Zelda jumped over onto Mipha.

Mipha dodged, ?Well then, no clothes for you,? she continued. ?Unless you let me do it.? Mipha looked at Zelda's butt.

Zelda was clearly embarrassed, no matter how much times she tried Mipha wouldn't give her clothes back.

?Fine.? Zelda pointed at her butt.

Mipha crouched over and grabbed Zelda's butt, giving it a good slap. Right when Zelda thought it was over, Mipha started licking her booty and her bush.

?What are you doing, not here!?! Zelda yelled.

?What's it gonna do, princess?? Mipha smirked.

Then they kissed. Zelda held onto Mipha's butt, harder than she grabbed onto anything else. Mipha started stripping and then they were having sex on the ground.

After 20 minutes, they were done.

?Hehe, look at the mess you made, Mipha.? Zelda said putting on her clothing.

?That was your mess, babe.? It was official, they were dating, but secretly.

?Huh?? Zelda said looking up at the dark sky, she looked at the time, it was 1:30 PM, it should be

?Oh no...? Mipha said.

Chapter 2

Chapter 2: Darkness

Mipha looked over at Zelda.

"Babe, what is this?" Zelda asked, but then she remembered.

"Oh god no, it's the prophecy."

Mipha and Zelda started walking down a path, they were in complete darkness, Hyrule was nowhere to be seen.

Mipha held on to Zelda's butt for security. Zelda wasn't too happy about it, but she wanted comfort.

Then they heard a shot, but from a bow, there was a bokoblin nearby.

An arrow passed by, it hit the ground near them.

"WATCH OUT ZELDA!" Mipha yelled diving into Zelda.

The bomb arrow blew up. Mipha and Zelda were now trying to take out the fire on their clothes, but it was too late, they were naked.

They started running away, and then Mipha tripped on Zelda, but Mipha grabbed on to Zelda's curvy legs.

"What's that?" Zelda said as she saw a tunnel of light.

Chapter 3

Chapter 3: The Tunnel

Zelda lead the way forward, by the end of the tunnel, there was a bed. There was a sign above it reading, "SeX tO pASS bY heRE." in Hylian.

Zelda smirked. She went on the bed first, and Mipha went on top of her grabbing a dildo.

"HARDER, AGH!" Zelda yelled. The door was slightly opening.

"Maybe we need cum." Mipha suggested.

After a while, Zelda cummed. The door opened.

"That was really nice, babe." Mipha said kissing Zelda.

Zelda blushed, she hoped Link wasn't seeing this where ever he was. Zelda had many lesbian crushes like on the four great fairies, Urbosa, etc. Mipha grabbed a spear on the wall, and Zelda grabbed a bow with arrows.

Chapter 4

Chapter 4: The Exit

Zelda smirked, and Mipha noticed.

"That's a rail, there's a mine cart, let's have sex in there." Zelda said.

They went in, and the mine cart started.

Zelda sucked on Mipha's boobs, she liked the milk coming out of Mipha, Mipha's moans and gasps excited her. Then they suddenly stopped.

"Huh?" Mipha asked?

"So, girls, you have room for more?" Urbosa asked, naked with her body shining. She went in and then they had a sexy as heck lesbian threesome.

Urbosa had both of her boobs sucked on.

Then they crashed and landed in a well somehow.

Chapter 5

Chapter 5: The Feeling

Zelda, Mipha, and Urbosa felt like they landed on 8 big, squishy cushions.

?Well, sisters, our sex has been interrupted by these lesbians, we might as well have sex with them.?

It was the great fairy. Zelda, Mipha, Urbosa, And the four great fairies had lesbian sex, then all of a sudden, the overload of cum launched out of everyone.

?AGHHHHHH? Everyone moaned. The cum hit the top, and then they were back in Hyrule.

Chapter 6

Chapter 6: The Journey

Zelda, Mipha, Urbosa, and the great fairies all walked down the path naked. They were all dating each other somehow. Zelda's butt jiggled up and down, then she got a big slap from Urbosa.

"A vagina on a booty is sexier than a penis on a booty." Urbosa told Zelda.

They were in the castle now.

Chapter 7

Chapter 7: The Entrance

There were 7 body holders. All 7 seemed to accurately be Zelda, Mipha, Urbosa, and the great fairies. They went in. Then all of a sudden, they fell out with their normal clothing. Zelda grabbed her bow and shot at a crystal at the roof. Urbosa let Mipha hump her during this process. The great fairies all masturbated.

Chapter 8

Chapter 8: The Door

All 7 of them were ready to have lesbian sex, so they settled on a bed next to a door. The biggest at the bottom with the smallest at the top. The great fairies liked this. Zelda was later in the middle where everyone either sucked her boobs, her vagina, kissed her with cum, or licked her butt cheeks. Zelda was way too excited.

She started to cum all over the bed.

?Don?t get this dirty sweety.? One of the great fairies said. The door opened and the bed was pushed. They all fell over and put on their clothes and walked to the door.

Chapter 9

Chapter 9: The Fight

Calamity Ganon had prepared for this. Zelda grabbed her sword and poked at a sphere, it turned into Calamity Ganon. Urbosa sent out lightning bolts while Mipha sent out waves of water.

"YOU CAN'T DEFEAT US!?" The great fairies said as they sent out pixie dust from their butts.

Zelda jumped onto Calamity Ganon and slapped him with the sword.

"You're a traitor!?" Zelda said. Zelda was pushed and she fell into Urbosa's hands. Urbosa, Mipha, and the great fairies enchanted Zelda's sword.

Zelda threw the sword at Calamity Ganon and they defeated him.

Chapter 10

Chapter 10: The End

Link never found out why Hyrule Castle assistants would tell him Zelda wasn't at the castle. Mipha, Urbosa, and the great fairies knew why, they were all lesbians in their natural habitats. Once even having lesbian sex for a whole day, which lead to Hyrule crisis but Zelda didn't care. No one would find out her little secret.

?I love you gals, it's nice knowing you guys like my big fat juicy booty or whatever you call it.?

Zelda said smirking.

Everyone had to leave so they kissed each other on the lips, and left.

Zelda started walking down the path and looked at her engagement ring. All 7 of them were secretly married and were hoping for a way to get kids from them.

(There you go, a troll fan fiction for you pervs.)
