Introduction

After Vigo's death, Chicago was finally saved by Alexander Banks.

This made many things had change, and by changing I mean....many things had happened in Chicago.

Amy discovers that someone was brutally murdered by someone.

This made her asked so many questions.

Will someday the identity of the killer be revealed?

Or...

Will Chicago fall apart?

Chapter 1

Ever since Vigo died, everything went back to normal.

Hannah and James went back to their world, Alexander stayed here and now he is my boyfriend, and of course no more deaths have been discovered.

Until months later....

I was watching TV and all of the sudden the news came, it was reported that a guy was brutally murdered by someone whose identity is unknown.

I was so scared, seen the crime scene in the TV was horrible, I couldn't not a single minute watching it.

While watching the TV, my phone was ringing I picked it up and it was Alexander.

"Amy, did you watched the news?"He asked.

"Yeah I did, can you believe someone was murdered in a brutal way? Do you think something is out there.....something....way worse than Vigo?"I replied scared of what it can be.

"I believe so, but....I wonder what it could be or who it can be?"He said.

I was silent for a moment think about all it happened months ago, I was worried if Vigo revived or reincarnated.

This was all bad news, and I knew that the chaos in Chicago will never end.

"Amy, are you still there?"Alexander asked, I snapped from my thoughts and talked again.

"Yeah I'm still here, anyways I got things to do so I'll talked to you later."

"Okay Amy, bye."He hunged up.

I laid my phone in the table and I hugged my legs, I was worried that Chicago will have to be filled with fear again.

All I wanted was a normal life with no chaos, deaths nor even destruction.

But....

I still wanted to know who is this new person in Chicago.

Chapter 2

I was at Biology class, sorta spacing out.

When the teacher, Mr.John, stopped the class and said:

"Alright students, today will have a new student joining us. Please be kind to him."

Then he opened the door and a guy, with white hair, a black neck sweater, somekind of lab coat, blue dark pants and black shoes, came in.

His face was serious and said:

"Greeting everyone....my name is Zane Enderson, a pleasure meeting you all."

I turned my sight around the class and some girls were amazed by him.

I didn't saw him that attractive, but...I noticed his left eye was covered.

Many questions were in my head, but I shrugged it off since it didn't matter at all.

"Alright, Zane you can sit where you want" Mr.John said.

He proceeded to walk into a empty sit behind me, for some reason I felt uncomfortable.

I turned around and he would be looking something else or sometimes reading something.

Time passed and school day was over.

I was waiting for the bus to come, when suddenly a guy came.

At first I thought he was a stranger but I recognize him and it was him...

Zane.

Chapter 3

I was confused why he was in this bus stopped, but I decided not to talk.

It was an awkward silent until I finally said:

"Hey are you Zane Enderson?"

"Yeah....why do you asked?"he replied, his tone was like he didn't wanted to talk.

"W-Well I'm Amy Hawthorne, and I go to the same school and class as yours."I said.

His face turned into a surprised and into a happy smile.

"O-Oh really? S-Sorry I couldn't recognize you Amy. You know....ever since I saw I wanted to be your friend, but since I am too shy to talk I couldn't. Anyways do you want to hangout someday to get to know each other?" He offered me to hangout, I really wanted to because he was sounding cool but I couldn't since I had to do homework the teacher assigned us.

"I'm sorry I can't I have to do something important."

His smile faded, his face was like a disappointment one.

"Oh.....okay..."

His voice changed too, his voice was cold and emotionless.

The bus finally arrived and I got in it.

I sat in the front and it surprised me that not many people was on the bus.

Zane was sitting in the very back, I could feel he was staring at me.

But I didn't wanted to turned around because it would be even more awkward.

Some minutes passed, my stopped arrived I got out of the bus and walked to where I lived.

I entered and I was greeted by mother,

"Oh hi sweetie, how was school?"

"It was fine Mom, my class got a new student." I said while taking an apple and ate it.

"Really, what is their name?"She asked.

"His name is Zane Enderson."

I really didn't wanted to talk about him, I didn't hate him nor despise him.

I decided to go to my room and forget all of this, once I entered it was a mess like always.

I saw the three books of 'Otherworld' and it bring me back some memories.

-Meeting Alexander

-Vigo being in my world

-Ms.P learned about Literary Physics

It also mentioned things that happened in that place.

Hannah became the new leader of the vampires and she could bring peace to the world.

James became her knight guard so he can protect her.

Man...

Time surely passed.

Well, I decided to watch some TV while snacking something.

The news appeared once again and they that someone was brutally murdered just like the same way as the previous one.

This was just bad news.

I decided to called Alexander....no respond.

I tried again....no respond.

I tried texting....no respond.

I am so worried about him.

What happened to him?

Chapter 4

It was Saturday, I was walking in the park alone and bored.
I thought to visited Ms.P and Alexander to see what happened to him.

I walked in the streets and I noticed some people in groups and scared.
I knew why they were like this, this new killer was even worse than Vigo Skaar.
I arrived at Ms. P's house and knocked her door, she opened the door.
"Oh hi Amy, what are you doing here?"

"Well, I wanted to visit you guys since a lot of time passed. By the way how it is Alexander?"I asked.

Her face changed into a worried face and told me:
"Well....he was....attacked by someone."

I couldn't believe what I just heard, I immediately ran into where it was Alexander and entered.
He was sleeping in his bed, he had scars in his face and hi had a bandage in his arm.

I was so devastated seen him like that.
Ms.P arrived and touched my shoulder.
"Amy, can we talked?"

I just nodded, left that room and we went to the kitchen.
"Listen, Alexander is harmed by someone. I believe it was the killer that has been around in our city,
but seen how they attacked are not similar in here."

"Do you think someone from another world is in our world." I said.

"I believe so...but I'm still not sure....Well...you better returned to your house. you don't want your
mom to be worried about you" She said.

I nodded and left her house saying goodbye.

So someone that is not from this world.....I think it will be difficult to know who it is.

Chapter 5

Everything is becoming even worse.

More people had been murdered by that killer, the schools decided to closed so the students and teachers can be safe.

Even my mom said to me and Chrissy, my sister, whenever we left the apartment we need to tell her.

I finally decided to make action and decided to investigate.

I took out a bag and packed gloves, plastic bags and my phone, I told my mom I was going out for an hour or more.

I left and went to where it was the scene of the crime, I finally found it and I tried to get closer it trying that the police or detectives could not notice me.

I put one some gloves and started to examined the corpse, it felt weird and disgusting but I found something.

A string of white hair, someone with white hair was committing all this murders, I put it in the plastic and left.

I finally found evidence about the killer, but while walking in the streets I saw the book store and saw a book with three people in the cover page.

I girl with light brown hair, a guy with dark brown hair and lastly a guy with white hair.

The guy with white hair reminded me of Zane, at first I thought he was the character of the book.

But maybe he was just a fan of this book, I took a picture of the book.

I thought that Ms.P knew about this book since she works at the school library, I went to her house and Alexander opened the door.

I was happy to see him again that I hugged him.

"Amy, why the hug?"he asked but I knew he was smiling.

"I'm just...so happy to see you Alexander."I said.

Ms.P came and saw us.

"What is happening Amy?"

"Oh well, I found an evidence about the killer and is this string of white hair on the corpse. Also do you know this book?"I asked as I took my phone and showed the photo of the book I saw.

"Yeah I do, here follow me."She replied as we, Alexander and me followed her.

She took out a book and began to search the book, she took it out and hand it to me.

"Here it is, if you want you can keep it."

"Thank you guys anyways I gotta go now" I said as I left her house.

I arrived to where I lived and went to my room and started to read the book which its name is 'Apocalypse World.'

I opened the book to the first page.

'Everything is dying in my world, almost everyone is death except me and friends.

Lucinda and Sam, they are the best people I met in my life.

I will do anything for them so that they can still be living, I will even give my life or my soul.

Now...

You are probably wondering "who am I?"

I'm Zane Enderson,

And I suffer from a curse which sometimes turned into a demon whenever I'm angry.'

I couldn't believe what did I just read.

Zane....

Is actually a character from a book.

But...is he the killer?

I always have so many questions with no answer...

Chapter 6

I was walking in the streets trying to find Zane but no succeed.
Seen Chicago almost empty was...scary and weird.

The city was actually scared of the new threaten living in the streets.
It was difficult finding him until I heard a scream.
I followed where it was and I found him....

The killer...

He had no knife, not even a weapon, he killed that person with his claws.
His hand was all bloody including his clothes, he turned around and saw me.
I got scared, I couldn't move not even run.
He began to walk towards me and I backed away slowly, he removed his mask and revealed his face.

He was...

Zane.....

Why was he killing all this innocent people.

"Oh...so you finally know truth, hehe. I thought you will never know it." He said.

"Why were you doing this Zane?" I asked scared.

He got closer and said:

"I'm doing this for you Amy.....so we can be together...."

He loved me.....but that wasn't love, that is obsession.

"Zane, I can't be with you. After what you did."I said.

His face became a mad one and confuse one, his hand turned into a fist.

"You're supposed to accepted my feelings....you should not reject.....YOU'RE SUPPOSED TO BE WITH ME!"He screamed.

I began to ran away from that guys.

He saw me as an object that he thinks he can owned.

I ran into Ms. P's house cause if I ran into where I lived it will be a total chaos.

"SOMEONE OPEN THE DOOR PLEASE!"I screamed while knocking the door loudly.

"Amy what is th-"Before she could finish I entered super fast and close the door.

"What is going on?"Alexander asked.

"I found the killer....he is chasing me."I said.

"Who is it?"Ms.P asked.

"His name is..."Before I could finish a loud knock was heard.

"AMY I KNOW YOU'RE HERE...." It was him, his voice was distorted.

I knew he become something horrible, they told to hide somewhere immediately.

I hide in a basket with clothes and waited there until he left.

Some minutes passed and everything is so quiet.

No sounds at all, I think Alexander and Ms. P didn't told me Zane left.

I got out of me hiding spot and went to investigate, until someone grabbed my arm and pulled me.

It was him....but he was a monster now.

"WHERE DO YOU THINK YOUR GOING!"

I tried to let my arm free, but he pulled even closer to him.

"YOU ARE GOING TO BE MINE AMY...."

He grabbed my chin and without second thought.

He kissed me.

But I got knocked out by something.

Chapter 7

I woke up and I find myself in a strange place.

I tried to move but I saw myself tighted in a chair.

I tried to break free when I heard some foot steps coming through the stairs.

It was him....

"Oh hi sweetie." He giggled a bit and smiled. "Did you....slept well?"

I was mad at him and scared at the same time, I tried again to move but he said:

"Don't even tried to escape, I tighed you very well so you can't escape. Hehe"

"Zane you can't do this, you can't kill people just because you love someone." I said.

"Oh but I need to, otherwise someone will take you away from me....and I'll never see you again." He walked towards me "And I'll make sure is just you....and....me..."

He leaned and begin to kissed me again.

I wanted to pulled away but he was grabbing like he knew I was going to pulled away.

When suddenly a knocked was heard, he stared at me with a serious face and said:

"Stay.Quiet." he left.

I tried breaking free while moving, but then I heard loud noises like things breaking and falling.

Is he fighting?

But with who?

It stopped and steps were heard in the stairs I was so scared that I closed my eyes in case it was Zane all bloody.

"Amy, are you alright!" A familiar voice said, I opened my eyes and it was Alexander.

I was so happy to see him again.

"Alex, I'm so happy to see you." I said happy.

"Me too Amy, now let's get you untight and get out of this place." He said as he began to untied me.

Suddenly I shadow appeared behind Alexander.

"Alexander look out!" I warned him, it was Zane with a baseball bat holding up and hit Alexander.

Luckily he dodge it, making Zane hit the chair I was and got broken.

I was so scared I didn't know what to do, but then I saw the stairs.

I could call the cops, they will stop Zane and put him in Jail.

I stand up and ran to the stairs.

"WHERE DO YOU THINK YOU ARE GOING AMY!"

He grabbed me by the arm and pulled me up in the air, I saw his face and is so scary.

His face was damaged, his left eye had a mark their and his hands had claws.

"I THOUGHT YOU COULD BE MINE BUT SINCE YOU REJECTED ME SEVERAL TIMES I WILL KILL YOU AND WE CAN FINALLY BE TOGETHER."

One of his hands touched my face and he stabbed his claws into my face.

I screamed of pain while he was laughing like a psychopath.

When suddenly Alexander hit him with the baseball bat in the face.

Leaving Zane concussion, Alexander hugged me and we both called the cops so that they can arrest Zane and put him in jail for the rest of his life.

Chapter 8

My mom and Chrissy were so worried about me.

They asked so many questions even my best friends, Katie and Luisa.

I was just glad that Zane was in jail for what he did.

But I keep asking me, the other two people from the book will they come to get Zane out?

*Meanwhile in United States 'Apocalypse World'

We were searching for him but nothing.

We did not accept that he was dead, we didn't gave up at all.

Lucinda barely sleeps because she still searches for him in the night and me.....Sam.

I tried to find clues to where he went.

When we something shine somewhere in the city....

Lucinda suggested going there, but I refused because I taught that maybe it was a trap.

She didn't hesitate and went to that place, I didn't have a choice so I followed her.

We entered to the mysterious place and we saw the light, we both touched it and....
