# Introduction

Beautiful story.

# Chapter 1

Once there was an insane girl named Grace. Her son, Willaye was a red and green water bottle that looked like a watermelon. She took it everywhere with her and she even wrapped it up in a pair of her pants and called it a swaddle. Then the next day she took it to school and threw it off the roof. How she got up there, no body knows l. She had already has the reputation of a different kid. She had once carried around naked Barbie doll parts and cut them with scissors and she taped them back together with gum. She had also whacked this guy in our class with a chair leg in his.... hehehehe?s. That was funny. All in all, she?s crazy. You have been warned! Bye, Felicia!
