Introduction

Pov of a girl going out with Grayson Dolan:), Part 2 of it coming soon??

Chapter 1

You've just had 2 months off school for summer, It's been so relaxing and now you have to go back to school. You've got new people, new classes, new professors and you really can't be bothered to go. It's 10:20pm at night and you need to go to sleep early. You promised yourself you'll go to bed early enough to be awake at 5 the next morning, So you set your alarm and lay down. Your mind kept wondering though, you were imagining the worst for the next day and found yourself on your laptop watching Dolan twins videos drinking iced coffee. Before you know it, It's 2am and you're meant to be awake in 2 hours. As you put your laptop down, you tell yourself it's gonna be an awesome year, and go to sleep. Your eyes open slightly and you're blinded by the light in your room, your alarms going off and it's 7am. You're late. Quickly you get on your shoes and run outside to your car and drive to school. As you're parking your car there's a really loud bang, so you quickly get out of your car to have a look, That's when you saw him...

Chapter 2

You had just crashed into Grayson Dolans car. But more importantly, He goes to your school now! You try to say sorry but nothing came out, "Whatever, it doesn't matter" He sounded annoyed, "I'm so sorry" You say. He smiled in a sarcastic way then drove off. You face palmed and felt so awkward. It's your first day back and already, you're late and you just crashed into your favourite YouTubers car. Your first day was horrible. You made a really bad impression but you have classes with Grayson AND Ethan!. As you get back to your apartment you go on your laptop straight away and start watching their videos. There was something about them in person that made you get butterflies, especially Grayson. They're so different from on screen and Ethan seems so sweet and smiley. You're hungry and wanted to get some food, You stopped off at the pizza place and Grayson walks in behind you. He's filming a video but he still noticed you, He smirked and then nodded. You smiled lightly and looked away. He walked over and tapped on your shoulder. "Hey" You jumped and replied with "Hey uh- sorry for earlier" He said "It's okay, I was in a bad mood earlier" He asked you for your name "{insert your name}" and then your number. You gave him your number and left..

Chapter 3

You're at home laying in your bed and you feel like you're in a dream. Grayson Dolan asked YOU for your number. You turn your lights off and try to sleep, but you get a text from Grayson. It says "Hey {your name} It's Grayson here:)"? You guys end up talking all night. The next day, You get up on time and drive to school. In class he kept looking at you and smiling. As soon as the bell goes he walks over and asks you if you want to go round his and Ethans later so of course you say "Definitely?" you're really nervous about it though. It's 4pm and you're driving home when he texts you. He asked you if you wanted to go over there now, but Ethans not going to be in until late, which makes you feel a bit less awkward. You get coffee and go over to his. He offers you food and you follow him through to his living room. He sits next to you and puts netflix on. It's dark in there and it smells like his cologne. He puts his arm around you and looks at you for a while. It made you blush so he asks you "Why are you getting shy??" And you went "I'm not?" and tried to hide it with your hair. He laughed and turned your head to face him, then kissed you. He starts taking his top off, then he takes your top off. Slowly he pulls your thong down and slides his fingers inside you, One thing leads to another and you end up out of breath laying on his chest. "Wow?" he smiles at you..

Chapter 4

There's something so different about him and you know it, his smile feels so genuine. When he kissed you, you got a feeling like it was right. Then you look at the time, It's 11pm and you start putting your clothes back on. "Wait, where are you going?" he asks, disappointed. You explain that it's late and you want to get home, but you want to do it again another day. Then the door opens and Ethan walks in. You're stood there with only a bra and thong on, "Woahhh ok?" and he covers his eyes then walked out. What have you done? You've been back for 2 days. You look at Grayson so embarrassed and he goes outside to talk to Ethan. You carry on getting changed and leave without saying goodbye. When you get home you have a load of missed calls from your ex. You broke up with him a few months ago and haven't moved on properly. You call him back and he was saying he's coming to your apartment and he'll be there asap. You try to call him back but he doesn't answer. Then Grayson knocks on your door. "Who is it?" "It's Grayson, let me in?" you open the door and he started talking straight away and apologised for Ethan making you feel embarrassed. You tried to tell him it's okay but he wouldn't let you talk, so you had to kiss him. Then your ex walks in. "{your name} what are you doing?" I jumped. "Why are you here, I broke up with you?" Then he sees Grayson and started making up lies about you and him still being together. Grayson looks at you as if he's actually believing him and he walks out and slammed the door behind him.

Chapter 5

You tell your ex to leave and he does. You call Grayson but he doesn't answer. The next morning, in class he doesn't look at you or smile at you. So at the end you go up to him and before you explain he tells you "just didn't think you were the kind of person to cheat" You told him you're not and you explain it. He doesn't speak for a while he just looks at you, then smiles. "You don't seem like you're lying" he says. The next couple weeks were awesome, you'd hang out almost every day and if you weren't together you'd be on the phone. After a month of it he asked you to be his girlfriend and you said yes, you were so happy and you and Ethan were good friends.
