Introduction

This will go over a ship known as Molten x Bryan. I'm a huge fan of this. I hope you like this. ?????

Chapter 1

Bryan: welcome to another day at Freddy Fazbear's pizzeria. I wonder what my friends are up to today. Hi everyone.

Narrator: In the main room.

Everyone: Hi Bryan.

Molten: Hi Bryan.

Narrator: In the portal room.

Bryan: Oh. Hi Molten.

Molten: What you're not happy to see me.

Bryan: Not really. Were you doing to the portal.

Molten: Just giving a few adjustments.

Narrator: Everyone else comes into the room during Bryan and Molten conversation.

Baby: Bryan what's wrong.

Bryan: Molten is messing with the portal again.

Security Puppet: really Molten can't you just leave the portal alone for once.

Molten: No. Come on let's just go.

Bryan: Not till you put the portal back to normal.

Molten: Fine I guess I'll have to use magic this time.

Bryan: Wait What.

Narrator: In the portal (murderer mystery)

Ballora: Bryan are you okay.

Bryan: Yeah I'm fine.

Molten: H-hi B-bryan.

El chip: Did you just stutter Molten.

Molten: WHAT NO. Why would I stutter.

El chip: Oh. I just thought you stuttered that's all.

Chapter 2

Security Puppet: Does anybody know who the murderer is.

Baby: Ahh. It's El Chip.

EL Chip: I'm going to get you Baby.

Ballora: Leave baby alone.

Bryan: Ahh. I see El chip.

Narrator: everyone gets away from El chip. El Chip is defeated.

Security Puppet: yay I got him.

El Chip: Darn it.

Narrator: After everybody was done playing the game. (In the portal room.)

Ballora, Security Puppet, El Chip: Will see you guys in the main room.

Baby: I'm not so sure about this. Should we really be leaving Bryan alone with Molten.

El Chip: He'll be fine don't worry. Bryan can defend himself.

Baby: Okay El Chip if you say so.

Narrator: everyone leaves the room except Bryan and Molten.

Molten: Bryan I think I messed up the portal.

Bryan: how so.

Molten: well... I think it messed with our emotions. But I'm not sure which emotions it messed with and who it messed with.

Bryan: so what you're saying is there's animatronics have their emotions on mixed round and you have no idea who they are.

Molten: most likely yes but it's possible that didn't do anything.

Bryan: how will we know if somebody has their emotions mixed around.

Chapter 3

Molten: the effects should be showing tomorrow if they came through to our side of the portal.

Bryan: okay then then I'll see you tomorrow let me know if any of the animatronics start acting weird.

Molten: okay.

Narrator: the next day. (In front of the pizzeria)

Bryan: welcome to another day at Freddy Fazbear's pizzeria. I wonder what my friends are up to. Hi everyone.

Everyone except Molten: Hi Brian

Bryan: I'm going to go check the poor room I'll be right back.

Baby: Okay Bryan.

Narrator: In the portal room.

Bryan: H-Hi Molten.

Molten: H-Hi Bryan.

Bryan: H-have you seen any of the animatronics act weird.

Molten: N-no

Bryan: Th-that's good.

Molten: B-bryan are you okay.

Bryan: I-I could ask you the same thing.
