Introduction

This is an attempt of a poem (I know it's not very good but it is just to raise awareness of how bad depression is) so no hate comments please!

Chapter 1

I can feel these invisible tears
Rolling down my cheeks
It's funny how when I feel them
I cannot wipe them away
No one else notices
The tears I cry
Every day
But they're invisible after all
So why should anyone bother

These invisible tears keep coming
They just won't stop coming
I wish they could be real
I wish people knew my pain
The tears will soon drown me
And take me over
Every day
I will be invisible too
No one will notice me
No one will care
