Introduction

This is for those people who are just having a terrible day. Please believe no matter what and stay strong! No hate comments please!

Chapter 1

When you're tired of getting bullied
Or having a miserable day
When you're recovering from a loss
Or you feel like you have no say
Please don't be scared
Don't let your life go grey
Just believe in yourself
Because it'll get better someday

Everything will get better
If you be patient and wait
If you can do something about it
Then that would be great
But please just remember that if you want to change your life
Then you may have to wait
But it's never too late
