Chapter 1

Say you know me
Go ahead
You don't know me completely
I feel like I'm dreaming, some thing some what might as well be dead
What you don't know
What I do every day
You know me so
Just something you say
I don't know some of what or what
Either
Guess what, I'm in a hut
By myself here
In what you don't know
You don't
Know me so
What I want, can't won't
Won't make sense
When you don't know
How I am tense
I am so
Very I don't even
Know
Happy sad sick
Annoyed great what
I'm going to go break a stick
But
I don't know what I don't know
And it is
So
I don't know
What you don't know
What I don't know
What we all don't know
