Introduction

Written by Kaity. One called I can't think and the other I'm alone.

Chapter 1

This is by Kaity, a poem for Icy.

Neverending
Mind can't think
Never sending
Things to think
Hoping you can
Find some words
You can!
We don't have to cross swords.
Don't worry
We can help
You won't be sorry
You tried it
You won't be sorry
You did it
Just let us help
Make your own things
Maybe that bell in your brain
Will do the thing where it rings
Not saying you're dumb
Only that you're struggling
Not saying that at all
Just let us help

I'll stop now, as quizzly requested. I'm just trying one last time.

I'm crying
I'm alone
I have no friends
What can I do
I'm alone
I'm sad
Sad that I can't
I can't find out
What to do
Maybe with help

I can just apologize.
