Introduction

Another poem by me which could mean different things to different people. I feel that's it's quite...
dark.

Chapter 1

The demons have surrounded me
Appearing one by one
Some come slowly but some quickly
They want me to be done

For what I have done in the past
Is not forgivable
They want to get revenge at last
My lies aren't believable

The demons are way closer now
They're close enough to kill
Let me be free - they won't allow
I can't keep myself still

One by one they come at me
I scream and shout and yell
Soon I give up reluctantly
As I take the path to Hell
