Introduction

One night, at a small village, a huge tsunami happened.

Only 4 people were left. Alvin, Jay, Mary and Melody.

These 4 people decided to escape.

On their way, they got thirsty and got to this unknown place.

They didn't think twice before drinking from the lake....

Chapter 1

One night, a tsunami happened at a village, many villagers died, but only 4 left. It was morning, when the 4-undead people managed to wake up, blood everywhere on the buildings and dead bodies everywhere. In this case, they wanted to escape from this village.

On their way, Alvin, Jay, Mary, Uran got thirsty, Alvin shouted that there was a lake in case anybody's thirsty. All of them ran into the lake. Alvin went from 16 years, to 14 years. Jay went from 17 years, to 13 years. Mary, went from long hair, to short hair, and Uran went from green eyes, to no more EYES. They we're cursed by the cursed lake. Another person was walking by, it saw everything than knocked out. The moral of the story is telling you that, be careful don't trust anybody, or to go anywhere unknown.
