# Introduction

Sorry I've been making so many poems I just have lots of time lol

# Chapter 1

In the real life friendships are mostly fake

In the real life society judges young girls by the mistakes they make

In the real life it may seem that everyone has everything at the touch of a hand

When In the real world everyone is always sad

Take a closer look around

Take your head out of the clouds

Understand this life is fake

Everyone makes the same mistakes
