Introduction

Feeling wistful for the times before my tongue ran its own race, and my brain stayed behind

Chapter 1

Feeling wistful
A feeling strange to
My heart
Who abides to no
Rules and
Agrees to no terms.

Feeling wistful
For when innocence
Was all I knew
And I
Believed that things
Could be okay.

Feeling wistful
And I wish I
Knew why
For all I love
And all I live
Is truth

Feeling Wistful
For times long gone
And forgotten
In a dreamy haze
A sugarcoated
Stupor
