Chapter 1

Why?

A peaceful oasis

Turned into a writhing pit of vipers

Why?

Friendships ruined

Friends turning against each other

Why?

No longer free and easy talking

Instead secret meetings

Why?

People wounded can not trust

People healed can not help

Why?

Groups of people calling themselves friendly

And then turning into destroyers

Why?

Lovely faces

Hiding a rotten heart

Why?

Long time friendships

Made over years of ups and downs-

Destroyed.

Why?

People will not trust their friends

To be good people

Why?

Calm

Turned to catastrophe

Why?

No more trust, no more love

Just hate and uneasy acceptance

Why?

Sorrow and joy-a natural part of life

Will turn people bitter

Why?
