Introduction

This is a poem about bullying this is how I felt

When I was

This is a little hard to understand because it's personal experiences

Usually every one I do

Chapter 1

There's a black wall, in front of me.
And it's something I've never seen.
It's like my heart when I feel alone.
Can't you see, I want to be unknown.

There's a black wall, in front of me.
It's something I can't believe.
Is this what I'm going to be?
Right now I can't feel anything.

Is this me?

I hope this is good ??
