Introduction

A song/poem. Whatever you want to call it. True story.

Chapter 1

Let's talk this over
It's not like we're dead
Was something I did?
Or something I said?
Don't leave me hanging
In a city so dead
Held up so high on such unbreakable thread

You were all the things I thought I knew
And I thought we could be

You were everything, everything that I wanted
We were meant to be, supposed to be, but we lost it
And all of the memories, so close to me, just fade away
All this time you were pretending

So much for my happy ending
So much for my happy ending
So much for my happy ending

It's nice to know that you were there
Thanks for acting like you cared
And making me feel like I was the only one
It's nice to know we had it all
Thanks for watching as I fall
And letting me know we were done

It's nice to know that you were there
Thanks for acting like you cared
And making me feel like I was the only one
It's nice to know we had it all

Bye, bye, bye
