Chapter 1

Jade sighed as she sat up in bed, She looked over at Alex, Peacefully sleeping. She just couldn't sleep. She got out of bed and headed down stairs to get some toast. But Jade heard voices ?Yeah I know, But, She might.? It sounded like...Zach? And then a voice that sounded like Drake said ?You don't get it at all....She's hard to get.? Who was hard to get? Why was Drake talking to Zach about this? Jade almost laughed a little of what she just thought. That Drake was talking about HER. Yeah RIGHT. She was just...Jade. And he was so different from her. Jade decided to walk in and interrupt. She came in and said ?What are ya guys talking about?? Drake turned around frightened and said ?JADE! Um...Hi! Nice to see you. Why are you outta bed?? Jade replayed ?couldn't sleep.? What about you guys? Zach still hadn't said a word. Just looking at Drake. Drake said ?same reason, I guess...? Zach interrupted the awkwardness and said ?um, Let's all just watch a movie. We can watch inquisitormaster subscribe adventure!?. Jade smirked ?Can we PLEASE watch something else?? And laughed. Drake nodded and smiled. Zach said ?Oh FINEEEEE? And they watched a movie. Still, Jade couldn't get, What they were talking about before she came in

Chapter 2

After the movie, Jade had said 'I'm BEAT. Going to bed. Night guys!' Drake said 'night, Jade' Zach smiled and nodded. Before she went up the stairs she heard Zach say, 'Don't worry, No ones gonna take her.' And Jade quickly, But silently ran upstairs. She had also saw Alex up when she walked in, She said 'WHERE HAVE YOU BEEN, JADE!' Jade said 'Watched a movie with the guys. Hey. Have you noticed Drakes been acting...Weird...Lately?' Alex replayed 'He...Might have had a little stress...Ya know?' Jade said 'Maybe, But he said something about winning a girl over, Or...That a girls playing hard to get, Or he likes her, But she doesn't show interest!' Alex smirked and said 'Might be you. He talks about you a lot.' Jade just said 'N-n-no. He and me are SO different...I don't think he does, Maybe he likes Char-' Alex whisper yelled 'CHARLIE! I don't think so, Charlie is obsessed with LIGHT. And their pretty neutral with each-other. They really don't have anything special that anyone would ship!' Jade just nodded and said 'I-I-I guess....But it's...Confusing...Ya know? I am gonna sleep' Alex said 'okay, Night Jade.' Jade laid in bed, Worried. (Drakes POV) I can't believe that I was dumb enough to say that, Jade must've heard everything! I need to stop Saying things without knowing who's near .I trust Zach. But besides Jade, I have a worry that theirs some one else who overheard our talk....

Chapter 3

(Zachs POV) Why would Jade come in and over hear us? Drake has that secret that only me and him know about. With his crush on Jade and everything. Its..Weird...Ya know? It's just...Someone I almost blew his secret right there, Right then. And I feel so ashamed I should've had Drake and me talk about in the room we share. I KNOW. I just KNOW. That there was someone else in that room besides Jade, Drake and me. I heard moving in the kitchen. But the kitchen is so big. And I am so lazy. So I didn't move, Luckily. Jade doesn't know the secret. But whoever was in the kitchen knows. I bet Drake knew to, But not till Jade came in. When she came in, He was blushing so hard, She was only wearing a hoodie and sweatpants. And her hair was in a ponytail like always. I came in the room with Drake. Jade and Alex's room was next to ours. So when we where heading to bed, Drake peaked in. Then he walked down to our room. I checked to, Jade was sitting there. Back turned. She was facing the wall. The opposite direction we were in. I walked in to our room. Drake looked upset. I came and sat next to him and just said ? You okay, Bro? ? Drake sighed and said ?I know Jades upset. Cause she doesn't know what's happening. I can't let her know, It could ruin our friendship. She might reject me...? Drake doesn't need to go any further. I know what he was about to say ?And hate you? She could NEVER hate you! You guys are friends. You can tell her someday! ? Drake just said ? I wanna know she likes ME. Before I can tell her THAT.? I said back ?you know....Someone besides us three. Was in the room next to us. He or she knows. It was either Jaxx, Alex, Light, Or Charlie. But, One of them knows.? Drake said ?We'll find em.? ?Night...bro.? I said. Drake turned over in his bed and didn't say a word. This is just great. Now me and Drake got a mystery to solve. And it involves Jade.

Chapter 4

(Lights POV) So...I happened to be in the kitchen. When I heard Drake and Zach come downstairs. I decided to stay in the kitchen. Cause they wouldn't be happy to see me at 1:00 am in the morning. Then I heard Drake's voice. It said "So...What kind of flowers does Jade like?" I turned my head away. He liked Jade. No doubt. But...I wanted to hear more. Then I dropped my pack of gummy worms when I heard a soft, Quiet, Tired voice say "What are you guys doing?" It was Jade. Alex's voice was more high pitched. And Charlie's... Well...Hers was VERY high and VERY cute. But I saw Drake's face. It was so pink. But Jade didn't seem to notice. I hid and then picked up my gummy worms. I danced in the kitchen for a while cause I was so happy Jade FINALLY got to the store to get gummy worms. But that's all I heard. Then, A half and hour before the movie was over, I took the stairs VERY quietly and ran upstairs and went to my room, Shared with Charlie. I quickly looked over at her. She was sound asleep. I smiled, And fell asleep very quickly because of my laziness.

(Alex's POV) WELL! I know when somethings wrong with one of BEST FRIENDS, She likes Drake. I know 100%. Even though she never told me. It's pretty obvious. She looks at him more than I look at ZACH. My boyfriend. Which is a LOT. She always says she just admired his looks, I KNOW. And I know she knows I know. At 8:00 am Jade was sleeping. But she had a frown on her face while sleeping. Luckily, She was still BREATHING! I walked in to say hello to the twins. And there. I saw it. Drake was crying. I ran up to him and said "What's wrong, Drake?" He looked up and said "o-o-oh...Hey Alex." Then he wipes his eyes and says "I can trust you. I like Jade. But I can't tell if she likes me back..." I beam. I know, Jade wouldn't like it. But they both deserve to know the truth. I take a deep breath. Drake. "Yeah, Alex?" "You really want to know?" "YES!" "Okay...You want the truth. Here it is."

Chapter 5

?She likes you.? He said ?SHE DOES! How do you know!?! ?She NEVER stops looking at you.She checks you out every-time she gets the chance, Drake.? Drakes face is so...Pink.He hugs me and says ?thanks, Alex.? (Drakes POV) she likes me.SHE LIKES ME. ME. Wow. That's...So...Amazing.And...Strange to.But my mom once told me ?Opposites attract? Then.I remember. ? Alex. ? ? Yes? ? ? Did you hear me say to Zach...That I like her. ? Alex said ? You told Zach you did? I had no idea! ? That moment. Light came in.? What?s up with JADE!?! I said ? w-w-what do you mean?? Light pauses.? S-s-s-she. ? I shouted ? TELL ME LIGHT. NOW.PLEASE. I NEED TO KNOW. ? Light says rubbing his arm ? She?s yelling at some guy downstairs, Her...Ex. Who cheated on her wants her back. But says never and I love someone else now. ? I am devastated her Ex showed up. But I am glad she didn?t accept his apology.I run downstairs to see a attractive guy have a rose in his hand. He?s trying to reason with Jade. But Jade keeps shouting at him ? NO. YOU LITERALLY CHEATED ON ME. WITH MY BEST FRIEND CHERRY IN HIGH-SCHOOL. ? The guy starts with a rough voice saying ? Jade, I REALIZED THAT WAS WRONG. Please... ? Jade storms upstairs and the guy follows her.I run to her and say ? BACK OFF. Once a cheater. Always a cheater. ? Jade hugs me and mouths ? Thanks ? And runs in me and Zach?s room. The guy says ?But-but-but, I realized that was wrong. ? I said sharply ? NO. She's NOT taking you back. NEVER. NEVER. NEVER!?! And the guy storms downstairs and slams the door. I run to Jade and say ?I am SO sorry about...That. ? She says ? You did what you could.I know he?ll be back. ? I just say ? But you?ll be with someone else by then.? She says ? Guess so .? And So, Drake found out light was in the kitchen at that point. But he didn?t mind. Jaxx had left the Squad for a unknown reason we don?t know about.And Drake and Jade where together.I shipped it all along.:))) Also, If you were wondering the guy DID come back.But....Drake told him Jade was with him and he ran off crying and never came back! YAYAYYAYAY! Don?t you love happy endings? THE END!
