Introduction

It tells all the Aftons deaths and more

Chapter 1

Chris Afton's death.

It was Chris Afton's death and he was afraid of the animatronics,
so Michael and his friends picked him up and put him on nightmare fredbear.1,2(killed).

Michael was devastated, and so was William.

Chapter 2

Michael's death

He was working his first shift and he was at C.B's world.

He went into the scooping room.

The animatronics were planning on killing him and so they did that

Michael got scooped.

Chapter 3

Elizabeth's death

William tried to tell Elizabeth to not go toward the animatronics.
but she did just that, C.B/Circus Baby lured her to the stage with ice cream but before she could get it
she got pulled into C.B.

Chapter 4

Clara's death

After Elizabeth died, Clara started to blame the deaths of the children on William, they fought and fought until she went to the car and left but she cried too much she wrecked.

Chapter 5

William Afton's death

William got so sad about the pain of losing his family, he started to want to kill.

So he went back to his old job Freddy Fazbears pizzeria.

He got 5 little children into a room saying he had a "surprise".

But the only surprise was death and so a few months later the soles came back to life for revenge and he got stuck in a room so he hid in Springlock but he got killed from the inside.
