Introduction

People aren't who they seem...

Chapter 1

"Who is that? " Said Lilia

I don't know" said Amelia

A Stranger. The man looked at the girls. He came up to them.

"Would you like a lollipop?" asked the man

Lilia refused but Amelia took one.

Lilia took her away and took the lollipop off her.

"ARE YOU CRAZY!" screamed Lilia. "I wasn't going to eat it," said Amelia. "Oh really? Then why did you take it?" "Ummmmmm"

Chapter 2

"It seemed rude not to," said Amelia

"You could have said 'No sorry I'm going home in 10 minutes for dinner' you know" Lilia sighed.

"Look, I'm going home. I want to finish something."

"Okay, Bye," said Amelia "You should probably go home too," said Lilia

Chapter 3

Amelia did not go home. She walked around town instead.

She met the man again, but this time she did not say anything.

She just walked right past him. Then he started following her.

Somehow she found herself trapped in an alleyway. The guy produced a knife from his pocket.

"Look child, there is no use trying to run. I also have a gun," said he.

Chapter 4

She didn't listen. She got up and ran. He produced the said gun.

BANG!

"I told you child"

Chapter 5

Lilia found her the next day.

"NOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!"

"I loved her like a sister. This cannot be!"
