Introduction

This was actually a thing I saw on TikTok. She listened to part of the song as though it was a friend and not a boy. A lot of the lyrics are actually perfect.

Please comment if you have any song requests for me to change.:)

Chapter 1

[Intro]

(Ah)

[Verse 1]

Well, good for you, I guess you moved on really easily
You found a new friend and it only took a couple weeks
Remember when you said that you wanted to give me the world?
(World)

And good for you, I guess that you've been workin' on yourself
I guess that therapist I found for you, she really helped
Now you can be a better friend for your brand new girl (girl)

[Chorus]

Well, good for you
You look happy and healthy, not me
If you ever cared to ask
Good for you
You're doin' great out there without me, it's crazy

I've lost my mind, I've spent the night
Cryin' on the floor of my bathroom
But you're so unaffected, I really don't get it
But I guess good for you

[Verse 2]

Well, good for you, I guess you're gettin' everything you want (Ah)
You bought a new car and your career's really takin' off (Ah)
It's like we never even happened
Why don't you tell me what is up with that? (Ah)
And good for you, it's like you never even met me
Remember when you swore to God I was the only
Person who ever got you? Well, screw that, and screw you
You will never have to hurt the way you know that I do

[Chorus]

Well, good for you
You look happy and healthy, not me
If you ever cared to ask
Good for you
You're doin' great out there without me, it's crazy
God, I wish that I could do that
I've lost my mind, I've spent the night
Cryin' on the floor of my bathroom
But you're so unaffected, I really don't get it
But I guess good for you

[Break]

(Ah-ah-ah-ah)
(Ah-ah-ah-ah)

[Bridge]

Maybe I'm too emotional
But your apathy's like a wound in salt
Maybe I'm too emotional
Or maybe you never cared at all
Maybe I'm too emotional
Your apathy is like a wound in salt
Maybe I'm too emotional
Or maybe you never cared at all

Well, good for you
You look happy and healthy, not me
If you ever cared to ask
Good for you
You're doin' great out there without me, I'm going crazy
Like a dang sociopath
I've lost my mind, I've spent the night
Cryin' on the floor of my bathroom
But you're so unaffected, I really don't get it
But I guess good for you

[Outro]

Well, good for you, I guess you moved on really easily
