Chapter 1

After a long time of begging, my parents finally took us to Sister Location. It was a long drive there from Cincinnati. A couple of my friends came along too. My school friend Lydia rode with us, and my lifelong friend Jett met us there. Lydia, Jett, and I knew the lore, that's why we wanted to come. My mom only knows about Elizabeth Afton and a tiny bit about C.C. Afton.

Anyway, we went inside. I tried my best to look cool. My friends and I are in 8th grade after all. My little sister Brooke saw Circus Baby and was instantly in love. She was only 9. My eyes narrowed as I saw her run up to Circus Baby, for I knew the outcome. I grabbed her. She of course said, "Hey!" in her tone that always pisses me off, whiney. "I would think you'd want to have some pizza or play some arcade games first." "Yes!" She ran off to mom and dad to ask for tokens and some pizza. I glanced at Circus Baby, she was staring right at me. She was on to me.

"Oh my god! Kids are going in the back! Let's go die with them!" Lydia said. "Shhhh, not so loud," I said in response. "Right! Sorry," she whispered. "Imagine if the Gaang were here," she said. "I want to take a look at the animatronics, see if they'll make a public killing," Jett said jokingly. I would normally joke about it too, only I knew it wasn't.

Suddenly, out of the corner of my eye, I see a kid that looks about our age looking at us. It can't be, I'm hallucinating, is that Micheal Afton!
