Introduction

Also recently written, within the past month or two. PLEASE DON'T STEAL MY SONGS. <333

Chapter 1

Always And Forever-

So you say it's over,
We both know what I'll say
"Whatever, I never cared anyways"
But we both know I tend to lie
And I'm sorry
That I could never find the words
To tell you how much I care
And I'm sorry
Cause honestly it hurts
I should've realized that I treated you like dirt
CAUSE YOU WERE ALWAYS THERE WHEN I WAS AT MY WORST

(chorus. start--
SO STAY STRONG, I'M SORRY
I HOPE YOU FIND SOMEBODY
THAT'S BETTER THAN I WAS
AND TREATS YOU LIKE I WISH I COULD
SO STAY STRONG, I'M SORRY
YOU KNOW ILL NEVER FIND SOMEBODY
THAT'S BETTER THAN YOU
AND TREATS ME BETTER THAN YOU DO
PLEASE STAY STRONG, I'M...
Sorry...
--chorus end.)

And you were there when I didn't care
When I was still young and innocent (how did we come to this?)
AND YOU ALWAYS HELD ME UP,
WHILE I WAS JUST HOLDING YOU DOWN
GUESS WHAT GOES AROUND, COMES AROUND,
AND MY LOVE NEVER CAME TO YOU
SO I'M SORRY, I WASN'T THERE
I PROMISE, I STILL CARE

(chorus.)

ALWAYS AND FOREVER,
your ex-best friend

Nobody Cared-

Nobody cared, I thanked God that you were there
Until you weren't
Now I'm wonderin' what I did,
to deserve,
all this hurt

(chorus start--

YOU SAID YOU'D GIVE ME THE WORLD,
AND THEN YOU LEFT ME WITH NOTHIN'
I GAVE YOU ALL MY LOVE,
AND I HOPED FOR SOMETHIN'
NOBODY CARED,
AND THEN ALL OF A SUDDEN
NEITHER DID YOU,
Anymore.

-- chorus end.)

You said, "Just trust me, darling, everything will be alright."
I was desperate, and hurtin', and couldn't see through your lies
You said, "trust me, ill always be there"
when I was on my own
I really thought you did care, and baby,
how could you be so cold?
And you said "you look like you could use some love"
I said, "Don't bother, I'm broken" and you looked me in the eyes
"Well you can be broken, but ill make sure you're not lonely"

(chorus.)

WISH I WOULD'VE SEEN THE SIGNS
WISH I WOULD'VE THOUGHT TWICE
YOU SAID YOU'D LOVE ME TILL THE END OF TIME

CAUSE YOU SAID YOU'LL ALWAYS BE MINE
AND THEN YOU LEFT ME HERE TO DIE

(chorus)

sweet ending.-

(piano music, soft/slow)

it's hard to hate you baby when you still smile at me so sweetly
and it's hard to understand, how you're the boy who hurt me
when you still smile and wave, and sound so perfect when you say my name
and your eyes are still warm, but my heart is cold
and you still treat me nice, but I'm broken inside!

(chorus start--

SUCH A SWEET ENDING,
YOU BROKE MY HEART, BUT YOU BROKE IT SO POLITELY
A TRAGIC STORY, BUT SOMEHOW ITS STILL NICE
YOU EVEN SAID SORRY, DAMNIT YOU'RE SO KIND
BUT I STILL WISH YOU WERE MINE
AND OUR TALE ENDED SO NICE
SUCH A SWEET ENDING, FOR THE END OF MY WHOLE DAMN LIFE
-- chorus end)

and I'll never move on, even though I promised you I'd stay strong
you held my hand, said "it's for the best"
i tried to smile, cause I know it hurt, for you to do this to me
but it's hard because you continued your life so happily
you've found another girl, to be your whole world
and you still greet me in the halls
and ask me how I'm doin'
OH MY GOD, WHY WOULD YOU DO THIS?
AND I REALLY HOPE YOU'RE HAPPY,
CAUSE I NEVER WILL BE
WHEN I SAID I WANTED A HAPPY END,
THIS IS NOT WHAT I MEANT!

(chorus.)

forget & forgive-

I'm sick of all the music I write
sick of my own voice,
sick of all the words
and I'm sick of my reflection
sick of my forced smile,
sick of pretending
I'm leaning over the side of my bed
choking on my tears, and wishing I was dead
as I try not to puke, and tell myself it's all in my head

(chorus start--
THINGS WILL GET BETTER, YOU'LL SEE
I'M SO SICK OF TRYING TO BELIEVE
THINGS WILL TURN OUT, JUST RELAX FOR NOW
WELL, HOW CAN I RELAX, WHEN I'M BREAKING DOWN
AND I'M TRYING, SO HARD, BUT I JUST DON'T GET
HOW I'M SUPPOSED TO,
FORGET AND FORGIVE
-- chorus end.)

I have to move on,
from all the times I've been wronged
and I have to let go,
of the pain,
even though it's all I know
it's easy, all you do is be happy
well, gee, why didn't I think of that?
you have to forget all your burdens
and all of the grudges, you're holding
even though you're still hurtin'

(chorus)

I'M FINE, HONESTLY
I'M JUST TIRED,
CAUSE IT HURTS TO BREATHE
WHEN I FEEL LIKE A WASTE OF AIR,

WELL I'M SORRY THAT I AM IMPERFECT
AND I'M SORRY, I WANT YOU TO KNOW THAT

I feel like things won't get better, I can't see
I'm so sick, but I keep trying to believe
I hope things will turn out, I'll try to relax for now
ill try my best to stop breaking down
I promise ill give it my all, even when I fall
and eventually, ill forget and forgive it all
