Chapter 1

I am a Sea cadet and am 13 years old. There is the cutest, smartest HOTTEST boy on the ENTIRE PLANET there! So One day we went on this trip on the Flagship TS Royalist, and we were laughing, chatting, and standing far too close. He brushed my hand, we looked each other in the eyes and ?. I took slightly too long to kiss him, as we got called away!

Chapter 2

So, we had a trip to a museum the very next day. We were walking along together on our own, admiring the brilliant mechanics of an American Land Rover -jeep cross. We gazed into each other's eyes again, and just as we nearly held hands, and tilted our bodies closer, an 8 yr old cadet ran between us laughing

Chapter 3

So up-to-date now, last Monday we were at our unit, complimenting each other heavily, laughing our heads off together, we went to say goodbye and nearly hugged, but his dad had binoculars and was looking through the windscreen of his car! Wish me luck next time!
