Introduction

I'm at school and I need a new pencil. (Not allowed to sharpen in my class. I go get a new pencil)
These are some emotions when there is no pencil in the drawer.

Chapter 1

Crack!

My pencil led breaks.

I get up to the pencil drawer.

I open to a surprise. . . .

Not a pencil in sight!

Oh, this is such a fright!

I cringe,

I singe,

I'm pencil-less.
