# Introduction

:)

# Chapter 1

I'm perfectly fine.  
Isn't it clear?  
I've said this line  
For the past year.

I'm perfectly okay.  
As good as can be.  
Whatever they say  
Doesn't affect me.

I'm perfectly alright.  
Life is great.  
I'm as high as a kite.  
And I've definitely ate.

Maybe I lied.  
Maybe I cried.  
Maybe I wonder  
Should I try?

I'm perfectly broken.  
Easy to see.  
I'm never content  
With being me.

I'm perfectly bad.  
Can't you see?  
I wanna die.  
I hate being me.

I'm perfectly lost.  
Even though I'm here.  
I'm at my home  
But there's nowhere for me here.

Maybe that's true.  
Maybe that's right.

?I?m Perfectly Fine.?
