Introduction

I made this as a page to talk about whatever you need to. My first intention was a place to talk about crushes or relationships, but then I realized that I'd rather create a community of strong and kind women that can support and help each other. I hope we can all sort out whatever we came to this page to talk about, and I wish us all the best down the road. XO, A

Chapter 1

hello! I think it's safe to introduce myself (being completely honest this time) my name is something

I do not want to reveal quite yet, so I'll go by A.

I do not want to be ridiculed about or judged by my age, so I'll share when I'm comfortable

I want you to know about me so that you know a bit about the girl that you're talking to.

1- my favorite color is lavender

2- I'm a competitive swimmer

3- I'm straight (but support lgbtqia+)

4- I have atelophobia (the fear of not being perfect)

5- I'm an aquarius and a HUGE zodiac person

6- I'm basically always doing my nails

7- I'm quite artistic

8- romance novel stan

9- love indie music

10- I pretend to be more confident and tougher than I actually am

I'm so excited to get to know this community of women
