"Omenstar! Fadingpaw is still there!" Mewed PandaHeart. "I?I will save her then! " he'd mew brave. He jumped over the fire. "Fadingpaw?" He'd ask. He couldn't see her but hear her. "Dad?" She'd ask. The secret was that Omenstar was Fadingpaws father. Omenstar picked her up. She was stuck under a tree. He'd pull. "Thanks" she'd whisper. "Wait, Violetkit is still here!" She'd yowl. "Pick her with you!" He'd mew. Fadingpaw picked the kit up and ran after her father. "Stop! Stay back!" He'd mew. You could know by hearing he's voice that he had a bad feeling. Three cats walked out of the shadow. "Dark forest cats?". Fadingpaw trembled. The three cats jumped on the black, gray leader. "Run! Now! Make this count! Now! Fading, run!" He'd mew loud of pain. Fadingpaw ran so fast as she could and jumped over the fire. The deputy, Pandaheart, was waiting. "Omenstar ... He's ... He's dead!" She'd mew quiet. "Calm down, he is now with starclan" pandaheart mewed softly.

/a moon later/

"You will be now known as FadingSteps, starclan gives you bravery and power" mewed Pandastar. "You're my deputy". "It's an honor" whisperd Fading. As she turned around, the clan called out her new name.

# Chapter 1

## Chapter 1

Ivypool sighed. "How?" She'd ask. "Don't you remember? You attacked a fox and got hurt, you'd lost too much blood, and you'd fell hard" Hazeltail mewed. "I can't believe it" Ivypool mumbled. "I have bad news for the clans" Hazeltail mewed while looking at her paws. "Tell me. Is it bad?" Ivypool asked. "What did I say! BAD NEWS!" Hazeltail yowled. "Sorry, but eh tell me" Ivypool mewed in silence. "The Dark Forest will attack and lose many warriors" her mother mewed in a scared but calm tone. "We got to warn them! " Ivypool yowled. Then, she flicked her tail while looking at her mother with a grave and scared gaze. "I know that!" Hazeltail mewed. "Ima go, you go and meet your dad". Ivypool nodded and walked to her dad that she saw. "Hello Cloudwalker! " Ivypool mewed, smiling and flicking her tail on the ground. "Ivypool? You ... . Died?" He swallowed. "Yeah, by a fox attack" she'd whisper. "Did your mother tell you about the dark forest? Because the clans are in danger. Your mother is going to warn them because the dark forest is ... " Ivypool didn't let Cloudrunner finish. "I know that" she'd mew. "Great, help me with telling your mother you know that" he'd mew. "She knows that already because she told me" Ivypool sighed. She'd roll her eyes and mumbled. "I was old, but now young, just like you" Cloudrunner whispered, happy.

## Chapter 2

|At the clans|

"I had a dream that every other leader and medicine cat has got. The dark forest is almost ready to attack us." Oceanstar mewed. The dark gray striped tom stood on the tall rock, looking over his clan and hearing some words from his warriors. "The kits and some queens will sleep in the elder den, elders will attack with us, our medicine cat will also fight and try to heal wounded cats." The deputy nodded as he stood up. "I will send patrols for herbs and prey, one border patrol will be there too" Bearrear, the deputy, mewed. "Thunderclan is ready" Oceanstar mewed.

|In riverclan|

"We won't have much time and aren't ready to lose this fight" Sandstar mewed. "SugarSpot will send some patrols". 'Riverclan is ready'.

|In shadowclan|

"We must stand ready to fight with our biggest enemy's. Remember that they know how to kill more cats than one at one time" Darkstar mewed. 'Shadowclan is ready'.

|The last clan, Windclan| (Not a book with skyclan in)

"We better stand strong before we fight. We lost some warriors as some fell in the gorge by following a dog". We aren't ready! he'd thought
