Introduction

First song I've ever wrote

Chapter 1

Lost my friend
Only have three
Coming around the bend
Who's there for me?

Don't know what to choose
Life or death, or did I already lose?

Wish I was good enough
Wish I could be enough
Wish I was perfect enough
Wish I was good enough

Am I there
For my family, my friends
Who's going to be there for me in the end?

I want a perfect soul
I want to be a good friend
I wish I could be
But who's here for me in the end?

Wish I was good enough
Wish I could be enough
Wish I was perfect enough
Wish I was good enough

I want to be there
I want to be perfect.
I want to be good enough
So fuck it all
Fuck it all

Because I'll never be good enough

Wish I could be

I'm just a person.

I want to live

I want to die

I want to choose

I care

I care

I care

Too much

Too much for everyone
