In this fan fiction, I'm going to be explaining about how my Girl Squad is made and how my V.I.P.'s and Special Thank You's are determined.
Chapter 1

What is my girl squad?

My girl squad is a little thing that I do at the end of each month. Every time someone comments, they are added to my girl squad and every time someone tells me they 'liked' or 'gave 5 stars' they will be added to my special thank you's. If you help me out with something or answer a question I had, I might even put you as one of My V.I.P.’s which get special little letters from me! I might check out some of my girl squad member's quizzes and like them, as well as leave a comment asking them if I can post a link on one of my quizzes.
Chapter 2

What does this all do for me?

When people like, comment, and view my videos, I feel so good inside. I can't even describe the sense that all my work is paying off on my All the Tests. I make the girl squad to basically have fun and have something to do when bored.
What Kinds of things can you do to become a V.I.P. or Special Thank You?

To become on one of these lists is very simple.

For Special Thank You's:
1.) tell me you liked my quiz
2.) give me a good advice question to answer
3.) rate my quiz 5 stars
4.) recommend a quiz
5.) check out some of my other quizzes and comment on more than two.

For V.I.P.’s:
1.) help me out by emailing me personally (not in comments) and asking if I need any help doing anything
2.) Be really kind to others in the chat section
3.) check out some of my other quizzes and comment AND 5 stars to more than 3 quizzes.
4.) be the first to respond to a rapid response
Chapter 4

My Color

I have a special color that I tell everyone else commenting to not use. This is the color teal, because I'll always use this color to respond to you.
Chapter 5

My First V.I.P.

I know it isn't the end of the month yet, and there are still more comments and members to come, but I still would like to announce my FIRST V.I.P. Ever!

My first V.I.P. is...
Chapter 6

Girl Squad M.V.P. For The Month of April So Far…

Alessa!

Thank you so much for helping me out your advice is amazing! I’m glad to have you as my MVP for this month.

So basically, Alessa helps me give some people secondary advice, and this is the only person who will become M.V.P. off of it unless asking me if they can do it so I can make sure to look at their advice as well.

I've never met Alessa in real life, but I know that she is a really sweet and caring person because of her amazing advice. She really is kind in what she responds, and she usually does respond fairly quickly.

So Thank you so much Alessa!
Chapter 7

Is there a category above V.I.P.'s and Special Thank you's?

Yes. The last chapter talked about our M.V.P. Alessa, who got the number one girl squad member for the month of April.

M.V.P.'s are the very highest you can get, and it's a secret on how you get them...

haha just kidding I'll explain on the next chapter
Chapter 8

How do I get M.V.P. of the girl squad?

So basically you have to do this:

you have to 5 star and comment on 3 or more of my quizzes, be very nice to the comment section, AND be one of my V.I.P.’s. I just nominate one V.I.P. that has been very helpful to be M.V.P.
Why should I join the girl squad?

You guys should join our girl squad to stand up against bullying and to be part of a 'team' of girls who can help each other out with things that are happening in life. Joining our squad would mean joining a bunch of amazing people from different places around the world.

You do want to be friends internationally, right?
Thank you!

Thank you to everyone who has liked, given 5 stars, commented, or even just taken my quizzes. You all make me very happy and I would like to just let you know that your comments and emails mean the world to me. They really do. So Thank you so much, each and every one of you.
