Introduction

4th Grade is tough for me. It feels like high school!
4th Grade's just started! My two friends, Daphne and Anita, came up to me and started talking immediately.

4th Grade's gonna be a blast!: That was my first thought.

4th Grade was really fun... EXCEPT FOR ALL THE DRAMA!
Chapter 2

Hello, my name is Yueyue. I'm a 4th Grader who really like sports and gaming at the same time!

Remember how I said that 4th Grade would be a blast? It is! Until the middle of the school year! Let me go through all the drama with you!
DAPHNE'S A MEAN BULLY! Who knew she'd act like that! Remember how I said that she was my friend? More like enemy!
She trashed talked me and Anita. Anita is my BFF I met from 3rd Grade (read My Best Friend, by Anita).
Drama has started.
The girls kinda have "groups." Daphne has her group of loyal friends who knew NOTHING of what Daphne has been doing. Anita and I have our own "group" of, well, friends.
Daphne would hate us. We would hate Daphne!
Before that, something else came up.
It has something to do with 2 specific boys. Johnny and Maven. Maven would get bullied. I was surprised by who the bully is.
Chapter 5

The bullies are Anita and Daphne! I don't know what to do! Anita and Daphne were my best friends.
How do I solve this problem?
I don't! I was, well, kind of a bystander.

Okay, well, Johnny tried solving the problem. Johnny and Maven were great friends.
Johnny solved the problem by bullying Anita! Does he know that that makes him just as bad?
I want him to stop!
Chapter 6

Johnny did stop eventually. We were okay with each other, I guess.
But now the Daphne Drama has started.
I just don't know why!
Daphne started it by BLAMING me that I purposely left her out on a gym game! She cried!

People who were involved: Anita, Johnny, Me, Kenji, Angie.
I did NOT leave her out on a gym game!

She decided to not play and sit in the corner and cry! I DIDN'T DO ANYTHING!

Angie was on Daphne's side.

WHY ARE YOU BLAMING ME, HUH? BECAUSE SHE'S CRYING?

Luckily, I have friends on my side, too. She cried about a game of Tag once and blamed it on Anita. She cried about a game of UNO once and blamed it on Anita. She cried about another game of Tag before and blamed it on me.
Each day is worst than the other. Daphne cried about a chair once and caused MAJOR drama between me and my friends.
Chapter 9

When I came home on Friday, I was so mad! Daphne stepped on my cello! ON PURPOSE!
I was so relieved when nothing was broken.
Why is SHE in our class?
Every time, it's ME who says SORRY! Why should I do it? I did nothing wrong!
This time, screw sorry. I'm never saying it to her again!

Anita warned me this would happen.
Chapter 10

This is why, my 4th Grade life is full of drama.
School's over in a month. I hope that this teaches you something. For example, it's not always you who's wrong!
