It's one of my favorite songs. It's sad and it helps me feel less lonely in this world. If you are sad or lonely, you are not alone. I feel those feelings every day. Every day, I hope for something new, but every day but all I get is sadness and rejection. I feel unwanted like if I disappeared from the surface of the earth, no one would even notice. I am ignored. Neglected. Forgotten. But those who are lonely and rejected are the stronger, fighters, who can deal with the hardest problems. They are the ones who will rise from the ashes and learn to cope with what life has in store for them. The ones with tons of friends only depend on others to survive. And once life gives them an obstacle, they don't know what to do. Suddenly they lose all their fame and they are the ones who end up being forgotten. This song makes me gain hope. That may be, by some miracle, something or someone will make me happy again. But until then I will stay in my little bubble of sadness. I hope that this song helps you get through your tough time. You are worth it. I care about you. Please no hate comments. I only try to make people happier. Comment if you want me to pray for you or someone else because I am more than happy to do so. Weary traveler
Beat down from the storms that you have weathered
Feels like this road just might go on forever
Carry on
You keep on givin'
But every day this world just keeps on takin'
Your tired heart is on the edge of breaking
Carry on
Weary traveler, restless soul
You were never meant to walk this road alone
It'll all be worth it so just hold on
Weary traveler, you won't be weary long
And no more searchin'
Heaven's healing's gonna find where all the hurt is
When Jesus calls, we'll lay down all our heavy burdens
Carry on, oh
Weary traveler, restless soul
You were never meant to walk this road alone
It'll all be worth it so just hold on
Weary traveler, you won't be weary long
No, you won't be weary long
You won't be weary long (weary long)
Someday soon we're gonna make it home
Someday soon we're gonna make it home
Someday soon we're gonna make it home
Someday soon we're gonna make it home
Someday soon we're gonna make it home
Someday soon we're gonna make it home
Someday soon we're gonna make it home
Gonna make it home
Weary traveler, restless soul
You were never meant to walk this road alone
It'll all be worth it, so just hold on (just hold on)
Weary traveler, you won't be weary long (you won't be weary long)
Weary traveler, you won't be weary long (yeah)
Weary traveler, you won't be weary long
