Introduction

This is (maybe) the first roleplay in the language "English". Sooo, I hope someone will join in this special roleplay.

It's basically a school roleplay, but a english-speaking and fantasy based one.
Chapter 1

Introduction

Hello and welcome to this new roleplay!
I'm Maskenraich, the owner of this basic roleplay.
I'm hoping, you will join this roleplay, because of interests and fun.

As you could read in the description, it is simply an English role-playing game set in a school, but it is a fantasy school with all sorts of creatures.

Rules

1 - Decisions

1.1 Maskenraich is the leader, he*she*them is mostly in charge, of course you can express ideas, but in the end he*she*them decides.
1.2. Profiles will be sent to the profile page and to the comments, you will start RPGing only after Maskenraich has accepted your profile.
1.3 If something happens during the RPG that could influence the whole RPG, please discuss it with the others first and especially with Maskenraich.
2 - Insults

2.1 Insults are not allowed outside the RPG. Disagreements should be settled in a civilized manner. If you break this rule too often you will be kicked out of the RPG.
2.2 Within the RPG this is allowed to a certain extent. But it doesn't mean that every second word can/should be an insult. I don't want any trouble with TesteDich.

3 - Activity in the RPG

3.1 Please come online at least 3 times a week.
3.2. Who was not online for two weeks and did not log out flies out of the RPG.
3.3. Logouts are ok, but please make sure that someone notices your logout.
3.4. It does not count with being online, that you write a short sentence and then you are offline again.
3.5. If you insult someone several times for no reason or even so hard, you will be flown as already mentioned.

4 - Skipping

4.1. Skips please at s3xual and very brutal scenes, there are also many young people on teste you should always remember.
4.2. Always ask the people you are RPGing with if they want to skip too.

5 - Spelling

5.1. Please pay attention to spelling and grammar, I know it's often because of the autocorrect, but it's just nicer if people pay attention to it.
5.2. Also with the steckis please pay attention to it.

6 - Contact with others

6.1. As said above, there will be no insults, everyone is allowed to have his own opinion and everyone has to accept it.
6.2. Nobody will be excluded, ignored or otherwise offended.
6.3 Please help new players if they have questions or make mistakes for which they can't do anything, e.g. because it's their first RPG.
6.4 Please don't draw attention to yourself or spam the RPG.
